Birthday Parties are usually scheduled for Saturdays 10am-1pm.

These times include decorating and cleanup. We recommend your actual party to be only 2 of these hours. Parties are responsible to bring their own food, drinks, and decorations. (**NO PINATAS OR BALLOONS**)

Party ends promptly at 1 pm to avoid additional charges. You may use the 4 picnic tables in forest for food and gift set up. Grill may be used and DCAF ONLY provides grilling utensils. DCAF cannot do any pre-orders of food or make any special arrangements to serve the food.

DCAF does not provide a "party helper". You have use of the facility and you set the pace of your party. Of course, DCAF will have staff on hand to assist with petting zoo, questions, or problems you may have.

*If the weather is looking questionable, please give us a call the day before to discuss a plan of action. We prefer to reschedule parties if possible, but we will refund your deposit if you choose to cancel due to inclement weather as long as you provide adequate notice.

NO SMOKING OR ALCOHOL PERMITTED ON PROPERTY
